

GIRITRA CHEMEX MINERAL is a contract manufacturer supplier exporter of Pharmaceutical Excipients, Food Grade Chemicals and it offers materials as per IP BP EP Ph Eur USP NF JP FCC Food Grade as per the latest monograph at best prices. **GIRITRA CHEMEX MINERAL Group**, established in 2000, is the pioneer manufacturer of Specialty Chemicals, Pharmaceutical Excipients, Some API, Food Chemicals in India. Giritra Chemex Mineral has contract manufacturing facilities spread across Western India, representatives in Houston, Chicago USA and Dubai, UAE. We also have toll manufacturing units for processing chemicals in a few countries around the world. We make IP, BP, EP, USP, NF, Ph. Eur., JP, FCC or Food Grade, Analytical Reagent Grade, LR or Laboratory Reagent Grades and Pure Grades of various chemicals. All our items are analysed to meet the required standards. **We can supply the product in grams for your laboratory trial and in tons for your plant scale jobs.**
